Eric – My suggested edits are incorporated in the attached. FYA – I reached out to Emily Ryan for minutes but did not receive a response, I assume she was busy managing SFIREG.

Tawanda,

Attached is a document listing key points brought up by AAPCO in the meeting we had Sept. 9. I know I missed writing down a couple thoughts during the meeting, can you add anything that you noted and think is critical. Also feel free to edit if you think I mischaracterized anything. This is just for reference as we debrief with Jake to decide on the next steps we should take.

Thanks.
